

**UK-SINGAPORE SYMPOSIUM on CONTEMPORARY
STRATEGIES and PRACTICES in MEDICINAL CHEMISTRY**
8 September 2011
Creation Theatrette, Level 4, Matrix, Biopolis, Singapore

Thursday, 8 September 2011

08.30 - 09.00	Registration
09.00 – 09.20	Welcome Dr Keith Carpenter, <i>Executive Director, ICES, A*STAR</i> Dr Robert Parker, <i>CEO, Royal Society of Chemistry</i> Opening Remarks by HE Antony Phillipson, <i>British High Commissioner, British High Commission Singapore</i>
	Session Chair: Dr Paul King, GSK, Singapore
09.20 – 9.55	Invited lecture 1: 'The Development of Synthetic Methods that Allow the Systematic Exploration of Chemical Space' Prof. Adam Nelson: <i>University of Leeds, UK</i>
9.55 – 10.30	Invited lecture 2: 'Fragment Based Hit Identification and Structure Based Approaches to Cancer Drug Discovery' Prof. Martin J Drysdale, <i>The Beatson Institute for Cancer Research, UK</i>
10.30 – 11.00	Coffee break
	Session Chair: Dr Sarah Thomas, Royal Society of Chemistry, UK
11.00 – 11.35	Invited lecture 3: 'Make invisible visible: a Diversity Oriented Fluorescence Library Approach (DOFLA)' Assoc. Prof. Young-Tae Chang, <i>National University of Singapore, Singapore</i>
11.35 – 12.10	Invited Lecture 4: 'Applications of Click Chemistry in Drug Discovery' Dr. John E Moses, <i>University of Nottingham, UK</i>
12.10– 13.45	Buffet Lunch/ Posters Exhibition—Foyer Biopolis
	Session Chair: Dr Charles Johannes, ICES, A*STAR, Singapore
13.45– 14.20	Invited Lecture 5: 'Lessons Learned from Dengue Cellular Screening' Dr. Sebastian Sonntag, <i>Novartis Institute for Tropical Diseases, Singapore</i>
14.20 – 14.55	Invited lecture 6: 'Accelerating Drug Discovery by Knowledge based Design' Dr. Ed Griffen, <i>AstraZeneca, UK</i>
14.55—15.15	Coffee break
	Session Chair: Dr Paul Smith, Novartis Institute for Tropical Diseases, Singapore, Singapore

15.15 – 15.50	Invited lecture 7: 'From bench to clinic: Small molecule Macrocycle SB1518, the first Phase 3-ready clinical candidate from Singapore for the treatment of cancer' Dr. Anthony William, <i>S*Bio Pte Ltd, Singapore</i>
15.50-16.25	Invited lecture 8: 'Lessons From Recent Market Entrants' Dr. Simon Teague, <i>Novartis Institute for Tropical Diseases, Singapore</i>

Organised by:

British
High Commission
Singapore
